Dear Parents and Carers,

People often ask me whether we are winding down at school this time of year. This always makes me smile as the final weeks' of the summer term are such a busy time. Finishing things off for this school year alongside planning for a successful year ahead.

The school is simply a hive of activity! There is so much going on from: school trips, production preparation, class assembly preparation, sports day, transition preparation – this all runs alongside the usual day and learning. Needless to say school is never a dull place!

Of course the heat adds an extra challenge for us all!

Thank you to everyone for your kind words, patience and support during this time. This means a lot to staff and myself!

Warm wishes,

Mrs Newbold

Sports Day

Thank you to everyone who joined us for sports day on Wednesday. This was a really enjoyable event and it was good to avoid the real heat of the day.

The children were fantastic, participating both enthusiastically and skillfully. Thank you also to the staff who ensured that the event was well organised and enjoyable for all.

A wonderful example of community! A special well done to Phoenix our overall winners! It was a close run thing!!

School Reports

You will now have received your child's school report. I hope you have taken time to digest these. They are an important record of your child's experience of school both academically and personally. Please do consider the next steps both in the short term and across the following year. This will help your child thrive here at school. Which is our aim for all.

Transition

Your children will have spent some time in their new classes as part of the transition process. We hope they enjoyed this.

Careful thought is behind the choice of classes each year and we carefully consider ensuring a balanced make up of each class and the educational, developmental and social needs of each child when year groups are split. Ultimately we ensure that all our classes are successful and that children are supported to make progress. As children enter year 5 and 6 it is seldom evident which route they took through the school!

Key Stage 2 Production

We look forward to seeing all of KeyStage 2 next week as part of the KeyStage 2 production.

We really do hope that all children will be able to join us.

I believe this has been made clear throughout and we appreciate your support with this. As a small school, with a small year 6, we really do need the help of the whole Keystage 2 community!!

Dates

July

Tuesday 14th – Messy Church in Village Hall after school

Wednesday 15th – KS2 production 6pm
