Dear Parents and Carers,

A quiet but productive week here at school. Peaceful without our year 5 and 6's who were away at their residential on the Isle of Wight. They clearly thoroughly enjoyed the experience and made many special memories. The photos also suggest they enjoyed better weather than us...not hard!

They do look absolutely exhausted today! A massive thank you to Mrs Knight, Mrs MacDonald and Miss Woods who accompanied the children on their trip. I know that they go above and beyond to support the children while they are away ensuring that they make the most of opportunities and feel safe and supported at all times. The children are lucky to have you!

Many of our children have been sitting assessments this week. Year 4 have successfully completed the statutory year 4 times table assessment. Many of these children achieved their personal best, I hope they feel proud of themselves! Our success in these assessments is a testament to the impact of our Maths Mastery teaching here at school.

Finally our year 1s have absolutely smashed their phonics screening this week. This is another statutory assessment, to ensure that all children have the phonics knowledge needed to make progress in reading and writing.

These early stages of skills development are so essential to children and truly are the building blocks to future success.

We can deservedly feel proud of our outcomes. The children do work hard but we are all so lucky to have such a talented and committed group of teachers and staff supporting the children!

Warm wishes,

Mrs Newbold

### PE Uniform

TaylorMade uniforms have designed new airtex sports shirts for the children which are labelled with our new house names.

We would really like to see the children wearing these and looking smart in their PE uniforms from September if possible.

Please do ensure that all children are wearing the correct PE uniform. This includes plain black PE shorts or jogging bottoms. T-Shirts and grey sweatshirts must not display writing. This is in line with our uniform policy.

### Easy Lunch – New school meals taster session – Monday 15<sup>th</sup> June

Please do come along to meet Emma and her team, who will be providing taster samples of some of the new hot meals that will be served from September. This session is for all children and parents and carers, and will take place on the playground after school on Monday. Even if your child has packed lunches, please encourage them to sample the meals if they would like to, they will be high-quality, tasty and nutritious!

Emma will also be answering any questions you may have and handing out updated menus for September.

### Fundraising Book Sale

Please remember our book sale on the following days after school – **Monday 15<sup>th</sup> and Wednesday 17<sup>th</sup>**.

It would be great if you can remember to bring some pennies to support the school on these days!

Thank you for the donations of books already handed in.

### Muffi Day

Friday 19<sup>th</sup> of June is Muffi Day in aid of raising school funds to develop our outside areas.

Please send your child to school with a donation in return for wearing Muffi on this day.

Thank you in advance for your generosity.

## PGL

Our Year 5 and 6 pupils recently enjoyed an exciting residential trip to PGL, where they took part in a wide range of adventurous activities and challenges. Throughout the trip, the children demonstrated excellent teamwork, perseverance, and determination as they encouraged one another to step outside their comfort zones and try new experiences. From tackling physical challenges to working together to solve problems, every child showed resilience and a positive attitude. Most importantly, they created wonderful memories, strengthened friendships, and shared experiences that will stay with them for years to come. We are incredibly proud of all the children for the enthusiasm, courage, and teamwork they displayed throughout the trip.
