BARNS GREEN PRIMARY SCHOOL

Behaviour Policy

In Barns Green Primary School, we strive to provide a caring ethos where everyone in the school community feels safe, confident, valued and respected. By promoting an environment where everyone can live and work together in a supportive way enables all to reach their full potential, emotionally, socially and intellectually.

The primary aim of our behaviour policy is to promote good behaviour. We have school rules and the staff do not ignore unacceptable behaviour, but having high expectations, being good role models and rewarding pupils enables us to promote positive behaviour. (See Appendix I 'Rewards and Sanctions') This policy is designed to promote good behaviour rather than merely deter antisocial behaviour.

We expect staff to work under the belief that whatever it takes to support a child, we will do it.

Children who are the subject of an Individual Behaviour Plan (IBP) should be treated in accordance with this policy unless the IBP offers a clear alternative.

APPENDIX I – REWARDS AND SANCTIONS

The following would be considered extremely serious breaches of our behaviour code and may lead to permanent exclusion:

Items not permitted on the school site: stink-bombs, lighters, cigarettes, laser pens. This list is not exhaustive and the school maintains the right to confiscate any item considered dangerous, offensive, inappropriate or that may compromise safety;

Dangerous Items also banned: fireworks, illegal drugs, solvents, knives, blades, pointed items, alcohol, guns (including plastic toys or replicas). Pupils found in possession of 'banned' items will have them confiscated and it is likely the School will involve the Police. The School has the authority to 'dispose' of banned items;

Aggressive, abusive or otherwise inappropriate behaviour on or off-site. Please remember that whenever you are in the BGPS uniform you are representing the School and the School expects all pupils to contribute to the positive reputation of the School in the wider community;

Malicious accusations against a member of staff that are proved unfounded, dependent on the severity of the accusation and the distress caused;

Intentionally setting off the Fire Alarm outside of a genuine emergency

Serious bullying or cyber bullying (whether done on or off-site);

Gambling on or near the School premises;

Knowingly bringing a 'trespasser' onto the school site;

Deliberate serious damage to School or other property;

Any significant breach of health and safety on or near the School premises.

TEAM POINTS

It is important that we find ways of rewarding good behaviour as well as sanctioning poor behaviour.

Examples of student behaviour deserving of a Team Point might include:

- Well thought out and reasoned response to questioning
- Effort above and beyond expectation
- High level of achievement in set work
- Remarkable piece of homework

Teacher will actively look for opportunities to award Team Points for positive behaviour or 'public service' in corridors and around the school. In this way we reinforce the positive behaviours that we would like all the students to adopt.

BARNS GREEN PRIMARY SCHOOL

Behaviour Policy

Examples of student behaviour deserving of a Team Point might include:

- Assisting a peer in need
- Being a role model i.e. stopping confrontation etc.
- Helpful behaviour
- For each behaviour only one merit should be awarded

The Team Points that are awarded to students will be centrally recorded and used in a number of ways.

The merits will inform the weekly certificate and prize giving during the Celebration Assembly. The merits will also inform Pastoral Support Programmes (PSPs)/Individual Behaviour Programme's (IBPs)/the SEN graduated approach/Target Setting procedures.

As part of our positive discipline approach, we use Letters to Parents and Carers on the achievement of a Headteacher Award.

SANCTIONS

Most pupils actually obey the rules: that is how schools function. The system for rewarding good behaviour has been outlined. The system for discourage poor behaviour is outlined below.

Level 1 - First warning – a public warning

A pupil who breaks a classroom rule will be given a public warning. This should be done in a non-confrontational manner. Most pupils will stop misbehaving at this stage. *The public warning may be written on the whiteboard.*

Level 2 – Teacher Sanction

A pupil who has broken two rules or the same one twice will face a consequence. The teacher may issue a sanction. The sanction may include loss of a lunch/break (the supervision is the responsibility of the teacher) or an after school detention on a Friday (supervised by the Headteacher). A detention would require a record of persistent poor behaviour.

Examples of behaviour:

- Swinging on chair
- Interrupting/calling out
- Losing concentration
- Chewing
- Running inside the school building
- Ignoring instructions
- Silly noises

BARNS GREEN PRIMARY SCHOOL

Behaviour Policy

Level 3 – Removal from class to another class

If a student reaches **Level 3**, in any one lesson, he/she should be removed from the classroom and sent to another classroom. The class teacher will record this on a Behaviour Monitoring Form (APPENDIX II). These are kept in a file in the PPA room.

At no point should a child be left unsupervised as a result of a sanction.

Examples of behaviour:

- Rudeness
- Lack of classwork
- Persistent disruption
- Inappropriate remark to other pupils
- Answering back
- Damaging school's/pupil's property
- Leaving class without permission
- Harmful/offensive name calling
- Throwing objects

Level 4 – Removal from class by the Headteacher/SLT to the Head's Office

Sometimes - hopefully rarely - a pupil will behave in a manner that is totally unacceptable and would be classed as gross misconduct – e.g. fighting, threatening behaviour towards staff or swearing at or in the presence of a teacher.

If this happens the teacher will send a message to the Headteacher to come and remove the pupil. The removal this time will usually involve the pupil being out of lessons for the rest of the day whilst the incident is being investigated.

If the incident involves violence, or verbal abuse of a member of staff, the sanction could include exclusion from school. Any decision on exclusion will be taken by the Headteacher.

MONITORING AND EVALUATING

- The effectiveness of this policy will be regularly monitored by the SLT and by the School Council. A Governor will attend the School Council meeting where the Policy is discussed.
- The school keeps a variety of records of incidents of misbehaviour – Behaviour sheets in the APP Room, Head Teachers' records, home/school link communications, alternative provision books

Trips and other instances of representing the school

Representing the school, including attendance on school trips, is a privilege and not an automatic right. If a pupil's behaviour before a trip is consistently unacceptable and they

Behaviour Policy

have moved to Level 4 of the sanctions procedures, they may not be accepted on a trip. The school reserves the right at any time to withdraw any pupil from a trip if they are involved in any behaviour which we deem does not live up to our school code of conduct.

Review:

The policy will be reviewed in line with the school's review cycle. However, the governors may review the policy earlier if the governing body receives recommendations on how the policy might be improved.

SUPPORT SYSTEM

Fixed Term Exclusion

Fixed Term exclusions (where pupils are sent home for a fixed period of time) are only used in exceptional circumstances such as, repeated failure to conform in the class room, failure to follow the instruction of a senior member of staff, where the pupil's behaviour is felt to pose a risk to the health and safety of themselves or others, failure to conform in an acceptable way and therefore interfering with the smooth running of the school.

Report

A report will be used by Senior Teachers to focus students on particular behavioural targets (such as punctuality, behaviour, homework etc.). Students must give the report to their teacher at the beginning of every lesson, and the teacher will complete it at the end of the lesson. Parents/carers are asked to support the process by checking and signing the report daily. According to circumstances students might be put on report to a member of SLT.

Behaviour Support Plan

A Behaviour Support Plan is set up for a pupil who is thought to be at risk of permanent exclusion due to either repeated disruption of lessons or other serious misbehaviour. A support package is devised in order to assist the pupil to improve his or her behaviour. Prior to starting a Pastoral Support Programme (PSP) or in the early stages of an Individual Behaviour Plan (IBP), if a child is continuing to misbehave a respite placement at another school may be considered. Failure to respond to a BSP would ultimately lead to either a managed move or permanent exclusion.

Head Teacher's Final Warning

The head teacher may setup a final warning meeting if a child's behaviour has deteriorated and all other interventions have failed. The parent of the child will be made aware that after this meeting anymore issues regarding their child's behaviour could/will lead to a permanent exclusion.

Respite Placement/Supported Transfer

Issue no 2	Date 21/03/2016	Responsible Governors Full Governing Body	Review in Spring Term 2017
---------------	--------------------	--	-------------------------------

BARNS GREEN PRIMARY SCHOOL

Behaviour Policy

The Head teacher may arrange a respite placement/supported transfer to another school on occasions to avoid permanently excluding a pupil.

Permanent Exclusion/Local Authority Provision

Permanent exclusions are rare but are a sanction available to the Head Teacher should there be extreme circumstances or a student has persistently failed to respond to other sanctions or strategies intended to support him/her in modifying his/her behaviour.

Permanent exclusion would be used in serious one off cases such as malicious accusations against school staff, an assault of a member of staff, selling illegal substances or for repeated misbehaviour and failure to respond to a BSP. On occasions, pupils are withdrawn from school and a place is taken up in one of the local authority pupil referral centres or other provision is arranged in conjunction with the local authority as an alternative to permanent exclusion.

Conclusion

We are committed to working supportively with parents and aim to contact parents at an early stage if we have any cause for concern. Equally, we recognise that guiding young people through their early school years can be challenging for parents as well as teachers and wherever possible will support parents in this process. We strive to put emphasis on the positive aspects of our pupils and look for the good to raise their esteem and self-worth and will contact parents to inform them of achievements and give positive information. The school's behaviour management policy is designed to ensure effective learning and help pupils to be good citizens and happy, confident and considerate young people who have developed a strong moral code to guide them through life.
