

Barns Green Primary School

Staggered Drop Off & Pick Up times

Drop off		Pick up
Who?	When?	When?
Dormouse	8:45-8:55	3:20
Hedgehog	8:45-8:55	3:20
Squirrel	8:45-8:55	3:20
Otter	8:35-8:45	3.10
Fox	8:35-8:45	3.10

We will be operating a One Way System to manage the large number of people at the start of the day.

Drop Off

All parents will enter by the Two Mile Ash gates by the bicycle shed, or by the gates on the Hordens. They will make their way around the outside of the school building, dropping their children off at the classroom. They will then exit the premises by the playground gate. Siblings with a later drop off time can enter their classroom from 8:35 where they will be supervised by a member of staff.

Pick up

As with drop off, parent will enter by the Two Mile Ash gates by the bicycle shed, or by the gates on the Hordens. They will make their way around the outside of the school building, picking their children up from the classroom. They will then exit the premises by the playground gate. Siblings with a later pick up time can be collected from outside their classroom at 3:20 – prior to this they will be supervised by a member of staff.

If the one way system is effective in preventing gatherings of adults, we will revert to our standard drop off/pick up times for all pupils.

Parents should not enter the school building without a prior appointment.

Please keep to a minimum the number of adults dropping off.

Parents should remember to set a good example of safe distancing at the school gate and on the school premises.
