

Barns Green Primary School

NEWSLETTER

Friday 9th October 2020

Dear Parents & Carers

Thank you

Your support with the start and end of the day has meant a much smoother transition for children into and out of school. We do appreciate your help with this.

Assemblies

We are trialling school assemblies on a Monday and Friday. They will not be whole school assemblies. Dormouse, Hedgehog and Squirrels will have one assembly, Fox and Otters another. This is how the sittings are organised at lunchtime so the children are not sharing a room with anyone new.

Lunches

Your child's water bottle stays in the classroom during the day. Please could you remember to add an extra drink to go with their packed lunch.

Parent/Teacher Consultations

The times for these have been emailed out.

Thank you to all of you who have responded.

If you haven't replied yet, or if you haven't received the email, please contact the office by **Tuesday 13th October**. Please remember to provide the best contact number for this consultation, as this will allow the teachers more time to talk with you.

If you have replied to the email without giving a contact number, please email the office. Mrs Coxon will be contacting those of you who are unable to make the appointment time with an alternative arrangement early next week.
