

Barns Green Primary School

I was restless at home and now I am extended.

What do you like about school this term?

The topics are really fun.

The World War Two day – everyone came dressed differently

Being creative with writing, stories, reports and diaries.

What do you like about school?

Being with friends, socialising with friends the same age, learning, sport, P.E, writing stories...

Key Stage 2

What do you like about school this term?

Being in year 6 – you have more trust and freedom. The teachers give you the right work, they know if you are confident and challenge you.

Key Stage 2

It's good to back at school we have a new teacher and she is nice and kind.

I can count in French!

The tables are better like this, you so you can concentrate. There is less talking and arguing.

Key Stage 2

We love tablets.

It's easier to see the board with tables in a row, it helps you to learn more.

Year 2

I don't like not mixing with friends from other classes on the playground.

Year 4

I'm not stuck anymore!

I loved marbling
Year 2

There's lots of fun
Reception

Some things are different: bubbles, hand gel, not sharing so we feel safe.

Year 2

I feel safe, I feel like a super hero!

Year 2

We're here to learn stuff and respect

Year 1

I come to school to learn, play nicely and be kind to friends.
