# Model Policy for Learning Outside the Classroom and Off-site Educational Visits

## 1. Introduction

**1.1 Barns Green Primary school** provides many opportunities for its pupils to learn and develop through Learning Outside the Classroom (LOtC) activities and visits and recognise the key role they play in the development of an active curriculum. This encompasses both on-site and off-site learning, residential activities, environmental studies, sports, physical and cultural activities, business visits, and adventurous activities. Our aim is to ensure every member of our school community accesses LOtC activities throughout their curriculum and that LOtC is considered as an educational entitlement as part of our broad-based curriculum.

**1.2** The value of LOtC activities and visits are well recognised by the Governing Body and fully supported throughout the school by all staff. It is emphasised that a culture of safety must prevail and there is a need for careful planning and adherence to statutory procedures. The safety culture is such that children and young people are encouraged and supported to recognise hazards and manage risk in a way that supports their learning and development. Learning Outside the Classroom must be well managed with information communicated and responsibilities recognised as with any other learning that takes place within the school.

**1.3** This document outlines the specific policies and procedures for **Barns Green Primary School**. It supplements and follows the advice and guidance contained within the following significant publications:

- WSCC's Regulations and Notes of Guidance for Learning Outside the Classroom Activities and Visits.
- WSCC's Adventurous Activities Reference Document.
- The Department for Education (DfE) published guidance Health and Safety on Education Visits [www.gov.uk/government/publications/health-and-safety-on-educational-visits/health-and-safety-on-educational-visits](http://www.gov.uk/government/publications/health-and-safety-on-educational-visits/health-and-safety-on-educational-visits)
- OEAP National Guidance [www.oeapng.info](http://www.oeapng.info).
- DfE advice on health & safety: responsibilities and duties for schools <https://www.gov.uk/government/publications/health-and-safety-advice-for-schools>

- The Health and Safety Executive statement: "School Trips and Outdoor Learning Activities – Tackling the Health & Safety myths. available at: <http://www.hse.gov.uk/services/education/school-trips.pdf>

## 2. Roles and Responsibilities

**2.1** The **Governing Body** satisfies itself that the appropriate procedures, risk management processes and control measures are in place and that the documented guidance notes are being followed. **All residential experiences need to be approved by the Governing Body. Such approval must be recorded in the minutes of the Governing Body.**

**2.2** The **Head Teacher** is delegated by the Governing Body to approve all LOTC activities and off-site educational visits of a low risk, local, daily or regular nature. This is recorded through use of the **Checklist form**.

**2.3** The **Educational Visits Co-ordinator** (EVC) ensures that all LOTC activities and visits follow the correct procedures. The person with these responsibilities will approve the Visit Leadership Team for every visit and monitor the risk management processes to ensure good practice. In addition, the following responsibilities and duties are undertaken:

- Support the Visit Leader in identifying the purpose and outcomes for the visit and the selection, training and briefing of appropriate supervising adults and volunteer helpers. It is important to consider the continuing professional development needs of staff engaged in these activities.
- Ensure that Disclosure and Barring Scheme disclosures are in place, where necessary.
- Arrange Emergency Contact Duty Officer and draw up proper procedures to be followed in such an event.;
- Keep records and make reports of incidents, accidents and 'near misses'.
- Review and regularly monitor policies and procedures.
- Liaise with the Outdoor Education Adviser where necessary to ensure the proposed visit complies with the WSCC policies for Learning Outside the Classroom.

**2.4** The **Visits Leader** is responsible for identifying the purpose and outcomes for the visit. Significant hazards and their control measures will need to be

Outdoor Education Adviser, September 2021

recorded and attached to the EVOLVE visit form (available at <http://www.westsussexvisits.org>).

This will take account of:

- Generic hazards.
- Event specific hazards as identified from a pre-visit or through knowledge or experience of the environment, accommodation, the competence of the staff team, the group and other factors such as transport.
- On-going hazards identified by the professional staff responding to changing circumstances and the success of planned activity and procedures. The participants and staff will be fully briefed on the purpose, outcomes and the risk management process.
- All policies that exist within the school that must be applied when working off-site, for example safeguarding, behaviour policy, managing medicines etc.

**2.5 Participants** are encouraged to consider hazards involved in LOtC activities and off-site educational visits and to assist in the design of appropriate risk management strategies that support their learning. They will be fully aware of the purpose and outcomes of the visit and understand expectations of behaviour. They will be able to evaluate the experience and the impact it has had on their learning.

### **3. Guidance Notes for LOtC Activities and Off-Site Educational Visits**

To ensure good practice and compliance with the necessary regulations it is expected that:

**3.1** All Visit Leaders will familiarise themselves with the published advice and guidance.

Further information is available from the EVOLVE website ([www.westsussexvisits.org](http://www.westsussexvisits.org)).

Training for staff will be arranged by the school to include all aspects of supervision, on-going risk management (including being prepared to stop an activity that has become too hazardous) and how to deal with an emergency. Access to such training is also available through the Outdoor Education Adviser.

**3.2** In order to plan LOtC activities and visits the **EVC** should be involved in discussing plans at an early stage. Routine or local visits such as sports fixtures also need to be planned. It may be possible to approve a series of events on a

Outdoor Education Adviser, September 2021

termly basis. No financial commitment should be agreed until all relevant approvals have been achieved.

**3.3** Parental Consent and contact details must be available for the Emergency Contact and the Visit Leader to take on the visit. This can include digital copies and may utilise IT solutions including the EVOLVEgo App.

**3.4** The Local Area Visit Form available on EVOLVE is used to approve regular, low risk or routine visits such as sports fixtures.

**3.5** An EVOLVE Visit form must be completed for all residential visits, visits abroad, visits out of county and or for all adventurous activities whether on-site or off-site. The form will need to be submitted to the LA, four weeks in advance of the activity or visit date and before the school becomes financially committed. Residential visits need the Governing Body's approval. School Journey Insurance should be purchased for educational visits and evidence should be attached to the EVOLVE form. Visit Leaders should avoid duplicate of cover being provided by a tour operator, or external provider.

**3.6** The OE2 form provides information on what WSCC expects an external provider to provide and deliver. It should be sent to any provider being considered for the first time and attached to the EVOLVE form as evidence of the planning process. Please note WSCC 'check' a number providers who are regularly used by WSCC establishments, these providers are listed on EVOLVE as 'checked' in addition providers who hold the LOtC Quality Badge are considered as suitable to offer activities and have achieved a nationally recognised accreditation.

**3.7** On return the Visit Leader must report to the EVC and, where necessary, an evaluation report should be completed to support any learning about a 'near miss' or where an incident took place. If such a form was completed at the venue, there is a need to place such an occurrence on the record at the 'home' establishment.

In addition, it is highly recommended that an evaluation of the visit's purpose and outcomes is carried out to review the learning achieved and educational value. It is possible, within 28 days, to record this through the EVOVE visit form.

**3.8** Risk management forms should be completed and attached to the EVOLVE form when risks are perceived as significant. External providers will have their own risk management documents that can be used to help in this process. For certain activities an Adventurous Activity Licence is legally required (see [www.hse.gov.uk/aala](http://www.hse.gov.uk/aala)). If this is the case, the provider's licence number should be quoted instead of copies of their risk assessment documentation.

**3.9** Providers that hold a Council for Learning Outside the Classroom (CLOtC) Quality Badge have been externally assessed and are acceptable as a 'checked' provider on the EVOLVE site.

## 4. Swimming

This policy covers the delivery of Swimming at Barns Green Primary School. Swimming is time tabled in the Spring term for all Year 2 pupils, plus any pupil in Year 5 or 6 who is unable to swim 25m. Children, therefore, have the opportunity to develop and improve their swimming throughout the primary phase. Swimming lessons last approximately 30 minutes and count as one of the classes' weekly PE lesson. Children are transported to the Pavilions in the Park swimming pool in Horsham by coach. These coaches are all fitted with 3 point seatbelts.

### ROLES AND RESPONSIBILITIES

## HEALTH AND SAFETY

It is essential that schools take note of and comply with 'Safe Practice in Physical Education' [BAALPE] which provides detailed, authoritative guidance on safety issues, including safety in swimming lessons and the DfE guidelines on educational visits. 'The **duty of care** for all pupils remains at all times with the accompanying teacher.' (BAALPE Safe Practice in Physical Education)

All staff will involved with swimming provision will have read the relevant BAALPE documentation.

## Behaviour

The swimming pool is a place of work and should be treated as a classroom with the same rules regarding behaviour.

## Attendance

All parents **must** ensure that their children attend all allocated lessons. As swimming is a statutory part of the National Curriculum. Parents do not have the right to withdraw their children from this statutory element of the National Curriculum, unless the child has an EHCP (Education Health Care Plan).

Older children are encouraged to be independent in terms of organising their swimming kits. Children who forget their swimming kits or cannot participate in the lesson for any reason will be required to attend and observe the lessons from the side of the pool. This is in line with the other aspects of the PE curriculum delivery.

Parents of children returning from an illness that would prevent them from swimming for a short period of time **must** provide the school with medical evidence of the illness in order that they may be excused from the lesson. Should a child not be able to swim for an extended period of time, a Doctor's letter **must** be provided.

### Swimming Kit

Girls should wear a one-piece swimsuit and boys should wear swimming trunks (not baggy 'board shorts'). All children should wear a swim hat, with girls ensuring that their hair is tied up. Provision must be made for alternative attire for minority ethnic pupils when a request is made. We do not encourage beginner swimmers to wear goggles.

### Planning Checklist for Learning Outside the Classroom (LOtC)

This checklist has been designed to support Head Teachers, Educational Visits Coordinators (EVCs) and Visit Leaders to ensure:

- The maximum educational benefit to children and young people;
- The safety of all those involved in LOtC;
- Effective organisation and administration of LOtC.

It may be used both to aid planning and approval by the Head Teacher or EVC. It is recommended that visits are recorded on EVOLVE wherever possible.

#### Visit Leader

The Visit Leader must be an employee of the establishment. (e.g. the establishment has all the personal details, references, qualifications, DBS checks etc. that would be expected of an employee). The Visit Leader may be providing this service as a volunteer.

#### Visit Type

Is the visit residential, overseas or does it include adventurous activities? If yes then Local Authority approval is required and the visit must be submitted via EVOLVE.

If no local policies may be followed although the use of EVOLVE is strongly encouraged.

#### Purpose and Intended Outcomes

Are there clear educational outcomes, curricula or extra curricula, and have clear learning outcomes been identified and intent defined?

Have these purposes and outcomes been clearly communicated with all staff and if applicable the external provider to support implementation?

Are they appropriate to the age and ability of the group?

#### Visit Date and Times

Is there adequate time and opportunity to plan and prepare for the visit? At least 4 weeks' notice required for LA approval.

**Venue – the location only and is not providing any activity e.g. a local park**

Is the venue appropriate to the visit, purpose and intended outcomes?

Has there been a pre-visit to the venue? Consideration given to travel, access, equipment, emergency procedures, shelter etc.

**External Provider – the location's staff are providing some activity**

If you are using an external provider have they been checked by the Local Authority or do they hold a Learning Outside the Classroom quality badge?

If no they need to complete an OE2 in advance of the visit?

**Adventurous Activities**

Does the programme include Adventurous Activities?
