

## English

- Narrative and descriptive writing and poetry based around slavery.
- Writing for a purpose in different genres such as diary writing, letters or recounts from the perspective of a character or events in our key texts
- Non-narrative – Links to our topic, focusing on aspects of science or Maafa.

## Maths

Properties of shape - Draw lines and angles accurately, Introduce angles, Angles on a straight line, Angles around a point

Calculate angles

Vertically opposite angles

Angles in a triangle

Angles in a triangle - special cases

Angles in a triangle - missing angles

Angles in special quadrilaterals

Angles in regular polygons

Draw shapes accurately

- Draw nets of 3-D shapes.

## Physical Education

- **Dance:** based on Y6 production Developing movements to music, rhythmic **dance** and learning a sequence of dance moves.
- **Team Games:** Rounders Cricket

## Science

### Evolution and Inheritance

Recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago

Recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents

Identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution

## PSHE/Citizenship

- Mental health
- Sex Education
- Transition to secondary school

## MAAFA

## Fox Class Summer 2023

### Religious Education

A study of

The Sikh celebration of **Bandi Chhor Divas** coincides with the Hindu festival of Diwali. During the festival, Sikhs celebrate Guru Hargobind, who released 52 Hindu princes from Gwalior Fort in 1619. The main themes of the festival are religious freedom and helping others who are weaker or in need. During the celebrations, Gurdwaras are lit with electric lights and candles as a reminder that the Golden Temple in Amritsar was lit to welcome Guru Hargobind home after he left for Gwalior Fort. The use of lights during Bandi Chhor Divas celebrate the stories.

## Computing

- Children to have a knowledge of programming
- Children to use these to research MAAFA

### Design Technology Art and Design Tints, tones and Shades

This project teaches children about colour theory by studying the colour wheel and exploring mixing tints, shades and tones. They learn about significant landscape artworks and features of landscapes before using this knowledge to create landscape paintings.

## Geography

- Understand how the world was affected by slavery
- Describe and understand key aspects of: physical geography relating to the African continent, lifestyles, geographical regions and features

## History

This project teaches children about Africa past and present and the development of the slave trade. It also explores Britain's role in the transatlantic slave trade, the causes and consequences of the European colonisation of Africa and the worldwide communities that make up the African diaspora.

## Music & French

- Listen to, review, and evaluate music related to production
- Explore dynamics, timbre, tempo, and texture
- Use and understand staff and other musical notations
- Learn to sing with expression
- Develop an understanding of musical composition
  
- Explaining our names, age and location
- Asking directions.
- Creating a menu
