Design and Technology Chop, Slice and Mash

We will be learning about different sources of food, investigating a variety of sandwiches and designing our own.

PSHE/Citizenship

- Health and Wellbeing
- Physical health and mental wellbeing
- Growing and Changing
- Keeping Safe
- Money and work

Computing

- Developing our knowledge of Online Safety.
- Exploring Purple Mash
- Coding
- Coding Challenges

Topic History

- We will be learning about The Victorians. We will be finding out about the Industrial Revolution and childhood labour.
- We will compare the present day to the past and learn about Victorian School days.
- We will learn about Samuel Wilderspin who was a significant individual, who contributed to events beyond living memory.
- Learn about historical events nationally and globally.

Geography

Revision and retrieval practice of:

- The U. K and the four countries as well as the capital cities.
- Human features and Physical features.
- Landmarks.

Science

We will be learning about:

- **Plants and Plant Survival**
We will be exploring our local environment. Learning about wild plants and garden plants.
We will be making observations and identifying the different parts of a plant.
We will be learning about where they grow and what they need to help them grow.

English

- **Reading:**
 - We will enjoy a range of stories including the classic Oliver Twist and Daisy Saves the Day by Shirley Hughes.
 - Use non-fiction texts to find out information about The Victorians.

Writing:

- We will be using quality texts to develop our writing through poetry, a diary entry, a letter, information text and narratives.
- **Handwriting:**
 - Regular handwriting
 - Practice- working on cursive joins
- **Phonics:**
 - Daily phonics programme using Read, Write Inc
- **Speaking and Listening:**
 - Develop listening skills in pairs, groups and whole class.
 - Practise questioning skills
 - Hot seating, drama and freeze frames in a creative way.

Hedgehog Class Summer 2023 The Victorians

Physical Education

- Athletics
- Agility and quickness
- Dance
- Games
- Gymnastics

Art and Design Street View

- Our project this term is about comparing similarities and differences between two pieces of art.
- We will be studying the artist James Rizzi and his 3D artwork based on large prints of cityscapes.
- We will explore line, shape and texture and use our knowledge of primary colours.
- We will create our own 3D piece of artwork in the style of James Rizzi.

Religious Education

Recall and name different beliefs and practices, including festivals, worship, rituals and ways of life, in order to find out about the meanings behind them.

Music

We will explore sound and beat through our voices, movement and a range of instruments. We will explore word rhythms and changes in tempo to build up to a performance.
