

Maths

- **Number: Division and fractions**
Y1 – Place Value to 100
Counting in 2s, 5s and 10s.
Sharing and Grouping.
Fractions – a half and a quarter
- **Geometry – position and direction**
- **Time – hour, half hour, hour, minutes and seconds, days of the week, months of the year**
- Y2 – Fractions – half, quarter, third
- Time – o'clock, half past, quarter past and quarter to. Tell the time to 5 minutes.
- **Statistics – make tally charts, and interpret pictograms**
- **Measurement: Length and Height, weight, capacity and temperature**
- **Position and Direction**
 - Regular maths H/W for Year 2 will be set each Monday and we will be focusing upon number bonds, division and the 2,5,10, 3 times tables for fluency.

Science

We will be learning about:

- **Plant Parts**
- We will be learning about wild and garden plants by exploring our local environment. The children will identify and describe the basic parts of plants and observe how they change over time.
- **Plant Survival**
- We will be learning about the growth of plants from seeds and bulbs. The children will observe the growth of plants first hand, recording changes over time and identifying what plants need to grow and stay healthy
- **Seasonal Changes**
- We will also continue to observe the seasonal changes.

Design and Technology

There are two projects

Cut, Stitch and Join Push and Pull

We will be learning about fabric home products and the significant British brand Cath Kidston.
We will also be learning about sliders, levers and linkages, where we will design a greeting card with a moving part.

English

- **Reading:**
- We will enjoy a range of traditional fairy tales including Goldilocks and the Three Bears, Little Red Riding Hood and Jack and the Beanstalk.
- Use non-fiction texts to find out information about castles and British Monarchs.

Writing:

- We will be using quality texts to develop our writing through poetry, invitations, information texts and narratives.
- **Handwriting:**
- Regular handwriting
- Practise- working on cursive joins
- **Phonics:**
- Daily phonics programme using Read, Write Inc
- **Speaking and Listening:**
- Develop listening skills in pairs, groups and whole class.
- Practise questioning skills
- Hot seating, drama and freeze frames

Religious Education

We will be learning about Jumu'ah, Friday prayers that take place within a Muslim community.

PSHE/Citizenship

- Living in the wider world.
- Belonging to a community
- Media literacy and digital resilience
- Money and work

Hedgehog Class Summer 2024 Magnificent Monarchs

Physical Education

- Rackets and Balls
- Locomotion- Jumping
- Games for understanding
- Gymnastics - Linking

Computing

- Spreadsheets
- Pictograms
- Presenting ideas

Art and Design Portraits and Poses

- This project teaches the children about portraiture. They will analyse the portraits of Tudor monarchs and compare Tudor portraits and selfies today.
- They will use photo editing software to create royal portraits and be aware that in history portraits were always true to life.

Topic Geography

Revision and retrieval practise of:

Place Knowledge:

Continents and oceans of the world and to understand geographical similarities and differences.

We will be studying the human and physical features of a small area in Kenya in comparison to our own locality.

History

We will be learning about the British monarchy from AD 871 to the present day. Using timelines, information about royal palaces, castles, portraits and other historical sources.

- Alfred The Great, William the Conqueror including the Bayeux Tapestry, Henry VII, Elizabethan Explorers, Queen Victoria and Elizabeth II.

Music

We will explore sound and beat through our voices, movement and a range of instruments. We will explore word rhythms and changes in tempo to build up to a performance through improvisation.
